

can call Customer Service. You should always know your account balance before you shop.

What happens if the POS machine is not working?

If you want to purchase eligible food items with your Food benefits, and the POS machine is not working or there is not one at the store, the cashier will fill out a paper form called a food benefit voucher. The cashier will write in your Washington EBT Quest Card number and the amount you are spending. DO NOT give the cashier your PIN. The cashier will call to see if you have enough benefits in your Food benefit (ONLY) account to buy the food. If there is enough in your Food benefit account, you will be asked to sign the voucher and will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from the balance shown on your last EBT receipt. This will give you the current amount on your account. The store cannot process a manual voucher for Cash benefits.

Can I go to a bank teller and withdraw money or inquire about my EBT account?

No, you may only withdraw money from an ATM or through a cash-back/cash-only withdrawal at a participating store. If you have questions, call Customer Service or ask your worker.

If I have less than \$10.00 worth of Cash benefits on my Washington EBT Quest Card, how will I get it out?

You can make a Point-of-Sale purchase or cash-back transaction at participating stores to get these funds.

Are there any transaction fees or surcharges for using my Washington EBT Quest Card?

There is never a transaction fee for using your Food benefits to buy food with your Washington EBT Quest card. There is also never a transaction fee for using your Cash benefits to buy food or get cash at a POS machine.

A surcharge is an additional fee charged by the owner of an ATM or POS machine for using that machine to make a cash withdrawal. Surcharges, if any, for getting cash will also be taken from your account automatically. If you do not want to pay the surcharge, simply cancel your transaction and go to another ATM or POS location that does not charge a surcharge.

Are there any restrictions on how I use my EBT Cash benefits?

It is against state law to use an EBT card or cash from an EBT card at taverns, bars, liquor stores, bail bond agencies, adult entertainment venues, any establishments where minors are prohibited, to gamble, get a tattoo or body piercing, or purchase tobacco.

What happens if I do not use my benefits?

If you do not use at least some of your benefits within 365 days, the benefits will be cancelled. In some cases, these benefits will not be replaced.

Can I deposit money into my EBT account?

No. You may only withdraw money from your Cash account.

What is Direct Deposit?

Instead of using EBT, you may choose to have your Cash benefits deposited every month directly into your new or current personal bank account. You cannot use direct deposit for Food benefits. Contact your worker for more information or call toll-free 1-888-235-2954.

What is an Alternate Cardholder?

You may choose a person, called an Alternate Cardholder, to get your benefits for you. The Alternate Cardholder must go to a local office to receive their own Washington EBT Quest Card and PIN. If you need an Alternate Cardholder, choose a person you trust. Remember, lost or stolen benefits will not be replaced. You can cancel an Alternate Cardholder's card by calling Customer Service. For more information or to get an authorization form, call your local DSHS office.

When a retailer is paid either too much or too little from your EBT account due to a computer system problem, a correction may be made to your balance. This correction could impact your current

If the ATM keeps your card, contact Customer Service.
